

Samuel Jędrzejewski

Junior Software Engineer, Web Developer - JavaScript/TypeScript

Aspiring Front-End Developer also interested in game development, video editing as well as cybersecurity and Discord and Twitch bots creation.
 I'm taking part in IT and sporting events as an attendee and volunteer, either.
 As for now I have been involved in several esports events organisation by broadcast producing, commenting and making connections.
 I actively connect hobbies and community so it drove me to be a part of the team of the greatest convention editorial office in Poland.
 In addition I also manage some social media pages and a Discord server.
 My sports passion had brought me to also become a Sports Scout providing live games coverage and statistics for football formerly.
